

DEAR FRIENDS,

The **NA'AMAT Multipurpose Day Care Center** in Ashkelon needs important renovations for its classrooms and playgrounds. This center provides essential daycare services for children of working families and offers after school programs for older siblings. With your help, these at-risk children from disadvantaged homes can start a new school year in a safe and nurturing environment.

Ashkelon is a port city near the Gaza border and is a frequent target of rocket attacks. Many of these children suffer from trauma, PTSD and anxiety living in constant fear of rocket fire. **NA'AMAT** has a professional staff to help families who are suffering. The emotional support and services this center provides are invaluable to the community.

We need to raise \$30,000 in order to complete this crucial project.

Please use the return envelope enclosed in this newsletter to make your donation.

Thank you for your generosity!

Sincerely yours,

The Fundraising Committee of NA'AMAT USA
